TOUCHU IS A STIMULANT, and of itself may fail to effect a cure, but Buchu, when scientifically combined with Bromide Axles, Hubbs, Fellows, Spokes, etc, etc, One column 3 months of Potassium and other ingredients, pro-duces a sedative effect, and causes a healthy action, thus increasing the powers of diges-tion, allaying irritation, reducing all un-natural swellings, stopping pain and inflam-mation, and causing the repairs and nutriments in the buman body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health

and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the region of the Heart, Weak Norves, Pallid Countenance, Dryness of the Skin, Scrofula' Syphilis, in its many forms, Ulcers, and

My Medi-cines are a success-a great success. Louiswille is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been abortive. My Medicines are good and answer the purpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established.

I believe my Buchu and Bromide of Potassium is the best article now in the market for the cure of all diseases of the urinary or genito-unrinary organs, such as Noctur-nal Incontinence, Irritability of the Bladder and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases. Buy a dollar bottle and be cured. Use as per directions in all cases.

JOHN BULL, M. D.

Manufacturer and Vender of the CELEBRATED

FOR THE CURE OF

AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebrated medieine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi-cine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.

Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature.
